As for an agenda, this is what I propose.

Update on current and future TU/BBNC Activities

Watershed Assessment Schedule and Activities

This is all on the attached Meeting request as well. At this point we have some flexibility if Bob's schedule needs to change. We will be available on June 19th and 20th with a preference for late afternoon although Jason and Peter need to leave for DCA at no later than 5:00 pm EDT on the 20th (we will accommodate Bob's schedule). Thanks again for all your help! Hope all is well and talk to you soon. All my best,

Wayne Nastri
